

Zone Examining Secretary's Report April 2010

I have applications for C testing from Yarra Glen and Donvale, Yarra Glen riders sat written yesterday and will have practical riding on Saturday 17th. Donvale will sit written on 5th May and hopefully practical on 15th May.

The "C" Certificate Information Evening" for our Zone held here 19th March was excellent. Our examiners had spent quite a lot of time preparing great information, overheads and handouts so I hope we will be able to persuade them to run another evening again next year.

Please ask your DC's to plan groups for C tests before October as there is often too many requests at that time of the year and I cannot guarantee that examiners will have enough available time to be able to fulfil end of the year requests.

At the "New Committee" night please mention that clubs need to appoint a C co-ordinator to help with planning for training and testing riders.

The written date for August C test has been changed by one day as it clashed with the DCI & ZA meeting,

The following are the dates for written tests for this year 2010.

May	Wed 5 th
June	Wed 2 nd
July	Tues 13 th
Aug	Tues 17 th (not Wed 18th)

(all written tests are held at Ringwood Pony Club.)

The two B candidates are coming along well. One has completed her pre-assessment, the other now has a suitable horse and is ready to do her pre-assessment, so hopefully they will be able to complete their B soon.
