

Ride Horses at Trackwork

Do you have some experience in riding, but need to improve techniques or knowledge of riding trackwork? If so, Northern Melbourne Institute of TAFE (NMIT) is offering a trackwork rider course, which focuses on developing riding techniques to provide skills in trackwork riding.

The course will improve your knowledge of track riding procedures, ensuring safety to horses and other riders. You will be exposed to riding with different gear and how it affects the horse in different scenarios.

Instructions will be given in industry terminology allowing you to understand and perform the requirements for pace and fast work.

If you are interested in improving your skills as a track rider or would like to start a career in track work riding, please contact Clare on 9269 1042 or email clarep-aas@nmit.vic.edu.au
